

Welcome Back to the 2009 Outdoor Tennis Season!

April 7, 2009

[Mohawk Park Tennis Club \(MPTC\)](#)

Welcome Back!

Dear Former Member,

Mohawk Park Tennis Club's executive board and volunteers look forward to seeing you soon and making this a great year! The executive board and volunteers have met on a regular basis and have been working diligently to provide an upgraded facility to attract more members and support the club's mission to provide affordable membership and fitness solutions for all ages and abilities. Here are some exciting projects and events that will take place in 2009:

New tennis courts on the way!

In 2008, the board and volunteers have worked many long hours to create a proposal and have been successful at receiving a provincial grant to reconstruct the two tennis courts. The existing tennis courts have been last resurfaced over fifteen years ago. This reconstruction project will consist of quite a few phases: taking down the fence, excavation and curing the existing courts, leveling and correcting slope and planarity, fix structural problems, filling new course asphalt, etc... MPTC is currently proposing that the faded, deteriorated courts be will eventually become two brand new navy courts with white lines with green on the outside for the club. These proposed colours will enhance players' visibility with blue court in contrast to yellow/green balls and make Mohawk Park Tennis Club more appealing to our membership and community.

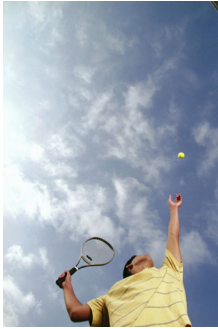

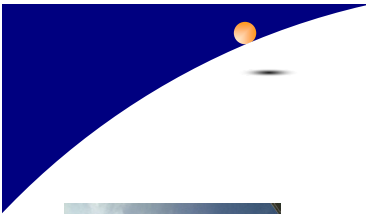

There will be two brand new courts built and weather permitting the goal is to start construction this April/May so that they will be ready in June. At the very latest they will be finished in time for the summer 2009 season. We are all extremely excited about the upcoming year and we plan to have a grand opening of the club sometime in June 2009. Look out for future newsletters that will highlight all the details for MPTC's Grand Opening.

Membership prices

The executive's mandate strives to keep the membership dues very reasonable and priced lower than other two court community clubs within Mississauga. As a former member, you can register at last year's prices prior to June 1st, 2009. As of June 1st, 2009, membership prices will increase. Mohawk Park Tennis Club's executive board continue to invest 100% of its membership proceeds to promote and develop the growth of tennis within the community and to maintain the facility. This is a great opportunity to save and ensure that you have your membership ready to go when the new courts open. Don't delay, register before June 1st, 2009.

Lighting system and door

The board is currently in discussions with the City of Mississauga to further improving the lighting system. We will propose an option of providing an on/off switch button to be placed on the inside of the club so that members have control of the lights.

New Equipment

In May, 2008, MPTC updated old equipment with a new lock, one net and two wind-screens. In October 2008 MPTC invested in a new steel box to store this equipment. This equipment box serves as a safe storage solution and provides an alternative to expensive offsite storage cost rental.

Website

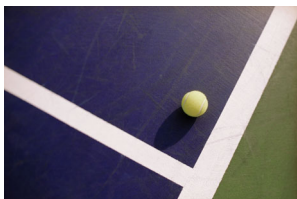

The club will adopt new online marketing activities and plans to create Website presence that engages members, attracts new members and encourages partnerships. By going online later this season, we will be able to post membership information, newsletters and advertise MPTC's upcoming activities. A website will provide us with an efficient way to reduce the number of brochures to be printed and distributed and convey the information to our membership more efficiently. If a member does not have an email or access to a computer, the board will be more than happy to mail a brochure via snail mail.

Annual General Meeting

Friday April 24, 2009 (7:00pm - 8:00pm)

Location: TBA

Suggestions for the upcoming season are welcome. We want to see and hear our members since we are working hard for you! Our mandate is to provide you with a safe facility and to attract more members so we can all enjoy tennis and its ensuing benefits. Join us at our meeting whether you want to hear more details regarding the tennis court reconstruction or volunteer at events like MPTC's Grand Opening in June. Whether its setting up windscreens or distributing flyers, you can become involved and make a difference in helping make 2009 a great success for Mohawk Park Tennis Club!

Renew your membership in person on Friday, April 17—5:00pm-7:00pm at Mohawk Park Tennis Club.

Membership Questions?
Email: membership@mohawkparktennis.org

Mohawk Park Tennis Club has traditionally been a community based 2 court outdoor tennis facility. The facility was run by volunteers with limited membership. A new executive committee was formed in 2007 and incorporated as a not for profit to forge new partnerships.

Mohawk Park Tennis Club provides affordable membership and alternative fitness solutions for all ages and abilities to help develop a holistic and healthy lifestyle through community spirit and tennis.
